

WHITEPAPER

Pablo Escodoge

WHAT IS PABLO?

Pablo once quoted "everyone has a price, the important thing is to find out what it is". Pablo Escodoge is the most notorious meme project on the Binance Smart Chain, which aims to establish the price investors are willing to ape to achieve the riches

With meme season in full swing and Elon tweets being churned out daily, Pablo Escodoge predicts another Elon Doge cycle in the coming months. Pablo knows in the long run his cartel members will achieve gains from Doge like never before.

WHY DOGE REWARDS?

Pablo Escodoge

Paired with achieving great riches, Pablo Escodoge gives all cartel members access to the Medellín protocol. Through taxation on buys and sells our loyal cartel members will benefit from \$DOGE rewards distributed automatically into their wallets. Pablo Escodoge treats his cartel members like family however, he expects the same treatment back and does not take kindly to jeets.
